

Cleaning up your yard and need to know what to do with your limbs, clippings, leaves or brush? The Town of Chapel Hill offers residents yard waste and limb pick-up service! Yard waste pick-up is every Wednesday.

✓ **DO** have brush and limbs bundled (if possible). Limbs that measure over 6 inches in diameter and 5 feet of length will not be picked up.

✓ **DO** have yard waste (leaves or clippings) in biodegradable paper sacks.

✓ **DO** place items on ground curbside. (Items left on trailers or in cans will not be picked up.)

✗ **DO NOT** put yard waste in your regular trash bin. Waste collected from trash bins are part of a separate service. Due to environmental concerns and other hazards involved with the methane gas produced from yard waste breakdown, it is not allowed in landfills.

✗ **DO NOT** put yard waste in plastic garbage bags.

✗ **DO NOT** use this service as a contractor disposal option. If you hire a landscaper or arborist, they will be responsible for removal of limbs and yard waste.

!? **What happens if your yard waste is missed?** Notify Town Hall at 931-364-7632. We will notify the contractor. Missed pick-ups are handled at the discretion of the contractor and their schedule.
